## Business profile of the Week THE MUDCASTLE

**Tell me about your business?** The Mudcastle is a Fully licensed function venue that specialises in intimate weddings, private functions and conferences for up to 100 guests with optional accommodation for up to 16 guests to stay on after the function if they wish. If we don't have a function, the accommodation can be booked for groups of 1 - 6 or 7 - 16 people on a hosted or self-catering basis. We also hold Murder Mystery Dinners and Corporate Christmas Parties.

The Mudcastle was chosen by Airbnb in 2017 as one of 10 unique accommodation destinations in the world and we've also featured on The World's Most Extreme Homes series and My House My Castle. The full story is included on our website [www.themudcastle.co.nz](http://www.themudcastle.co.nz) of how we made

20,000+ mud bricks to create The Mudcastle and how it has evolved over 30 years to become the unique business it is in the region.

**What do you love about living and having a business in Motueka?** We love the fact that this region is so rich and diverse in its creative talent and boutique food and wine experiences and that The Mudcastle is located at the very heart of it.

We have a number of special one-off functions and accommodation offers that we are about to launch on a new website. Anyone booking a table for one of these functions or a group accommodation stay will receive a lovely surprise on arrival as a thankyou from us for continued support of The Mudcastle.
